Admissions Instructions

Application Materials

1. CISA Application Form

2. Official Transcripts

Applicants must provide official hard-copy transcripts of all academic work beyond secondary school — this includes all schools attended whose credits are used toward the undergraduate degree.

A transcript is official when:

- (1) Submitted to the CISA Admissions Office in an envelope which is university issued and sealed by the university's registrar's office and mailed directly to CISA, or
- (2) Requested from the appropriate registrar, returned to you, and included unopened in the self-assembled application packet for mailing.

Transcripts that have been opened or photocopied are not considered official and cannot be used to fulfill this requirement. In time sensitive events, a faxed copy directly from the university's registrar's office may be used while an official copy is being mailed. Transcripts issued in a language other than English must be accompanied by a certified English translation. Transcripts should show the name of each course taken and the grade received as well as the year/semester in which it was taken.

All materials received for admission become the property of CISA and cannot be returned to a student, photocopied for outside use or forwarded to another institution.

3. Resume/bio

A current professional resume or bio of no more than two pages.
