

## CISA Phase II Standard Weather Delay Schedules

In cases of adverse weather, that Office of Personnel Management(OPM) may announce a 2- or 4-hour delay for federal agency openings. NDU and CISA operate in accordance with these OPM decisions. In the event of an OPM announced delay, CISA classes will be adjusted to the times listed below. Students should consult the OPM.Gov website for updates on NDU's operating status and are encouraged to sign up for mobile or email alerts.
